WANT HIM AGAIN.

Sturgis, Ky., July 26 - Rev. J. C. Midyett for the past year has served the Ohio Valley College as its president and the Sturgis Baptist church as its pastor. His work in both places has been excellent and it is almost the unanimous opinion of Sturgis people if Dr. Midvett had been in charge of the Ohio Valley College from the beginning we would now have a college here the equal of any in the state. His work at the college has been so appreciated by the board of trustees that at a meeting to day they called him for another year, asking that all his time be given to the college.

EDITORIAL NOTE .- Rev. J. C. Midyett is one of the best qualified men to be placed in charge of or at the head of a college it has been our pleasure to meet, When he took charge of the O. V. College at Sturgis, he went to work with a determination that crowned his work with success and today this Institution bids fair to rival any in the state in a very few years. He is industrious and honest in every effort he puts forth for the upbuilding of this great Baptist school.

The heart of Mrs. J. F. Fianary was made glad Monday morning when presented with a fine baby boy. Wise, thoughtful old stork indeed in making the selection of a boy that the fond mother and wife named for her late departed husband, J. F. Flanary. The sweet little fellow's advent proved a happy occasion for the numberless friends of the late departed sheriff of Crittenden county. May the God who saw fit to take away his good father lead the little one in the path of righteousness for His name's sake and alseeing him grow and develop into soble manhood.
